

## **Putting on My Armor**

**Solo 1:** I'm coming out of the dark  
Stepping into the light

**Solo 2:** I'm leaving my bubble suiting up for a fight

**Solo 3:** My eyes are open  
The Truth is clear

**Solo 1, 2, 3:** Though the battle is near, I will not fear

**Choir:** I'm putting on my armor  
I'm choosing faith  
Putting on my armor  
Believing truth today  
Covered by salvation wrapped in peace  
Clothed in righteousness  
Clinging to the Word of God

I'm putting on my armor  
I'm putting on my armor

Too long we've been deceived  
By the father of lies  
May the church of God stand and say  
Come on, church of God, stand and say

**Solo:** I'm putting on my armor  
**Solo:** I'm choosing faith  
**Solo:** Putting on my armor  
**Solo:** Believing truth today  
Covered by salvation  
wrapped in peace clothed in righteousness  
Clinging to the Word of God

I'm putting on my armor (2x)
