

Step Out

Solo 1: I'm taking up my shield of faith

Like I believe the words I say

Solo 2: I'm stepping out of my comfort zone

Where I can't do it alone

Choir: I'm choosing to depend on Him

When there's no other way

Even when it doesn't make sense

I will trust Him today

I'll take a step of faith

Lace up my shoes to run this race

I'll step out and take God's hand

He will give me strength to stand and step out!

It's too easy to spend my days

Just passing time in mindless ways

I know faith without works is dead

So I will choose to act instead

I'm choosing to depend on Him

When there's no other way

Even when it doesn't make sense

I will trust Him today

I'll take a step of faith

Lace up my shoes to run this race

I'll step out and take God's hand

He will give me strength to stand and step out!

(dialogue & food fight)

We have not been given a spirit of fear

We will be doers not only those who hear

We will not fear

We will activate our shield

(Hebrews 11:1)

I'll take a step of faith

Lace up my shoes to run this race

I'll step out and take God's hand

He will give me strength to stand and step out!
