

You Are the Truth

Solo 1: Do you feel it blowing in the wind
The aroma of deception slowly creeping in

Solo 2: Will we trust in the One above
As the winds of culture blow

Or will we turn to our feelings and rely on what we know

Solo 3: But never fear, hope is here
The truth can set you free

Be planted in the Word of God and
Hold off the enemy

All: I believe, oh I believe

What God says is true

And I want to follow Him in all I say and do

As for me and my house

We're set a part for you

You are the way

You are the life, Jesus

You are the truth

You are the truth

Jesus I will follow You

I will walk in truth

Give me wisdom,

Give me strength to boldly stand for you

I believe, oh I believe

What God says is true

And I want to follow Him in all I say and do

As for me and my house

We're set a part for You

You are the way

You are the life, Jesus (3x)

You are the truth (3x)
